

STICKY MANGO

WATERLOO

WINE LIST

The wines on our wine list tend to be sourced from small artisan farmers and producers who work sustainably - and often organically - in the vineyard, avoiding chemical treatments in favour of more natural farming solutions.

In addition, many of them carry this practice into the winemaking. Fermenting with native yeasts and using minimal additions, in order to preserve the purity of the fruit and the integrity of the vintage.

BY THE GLASS

WHITE
